The DeWitt County Board is requesting bids to remove a total of twelve (12) curbed islands in the North and Center parking lots at Clinton Lake Marina. (Map attached)

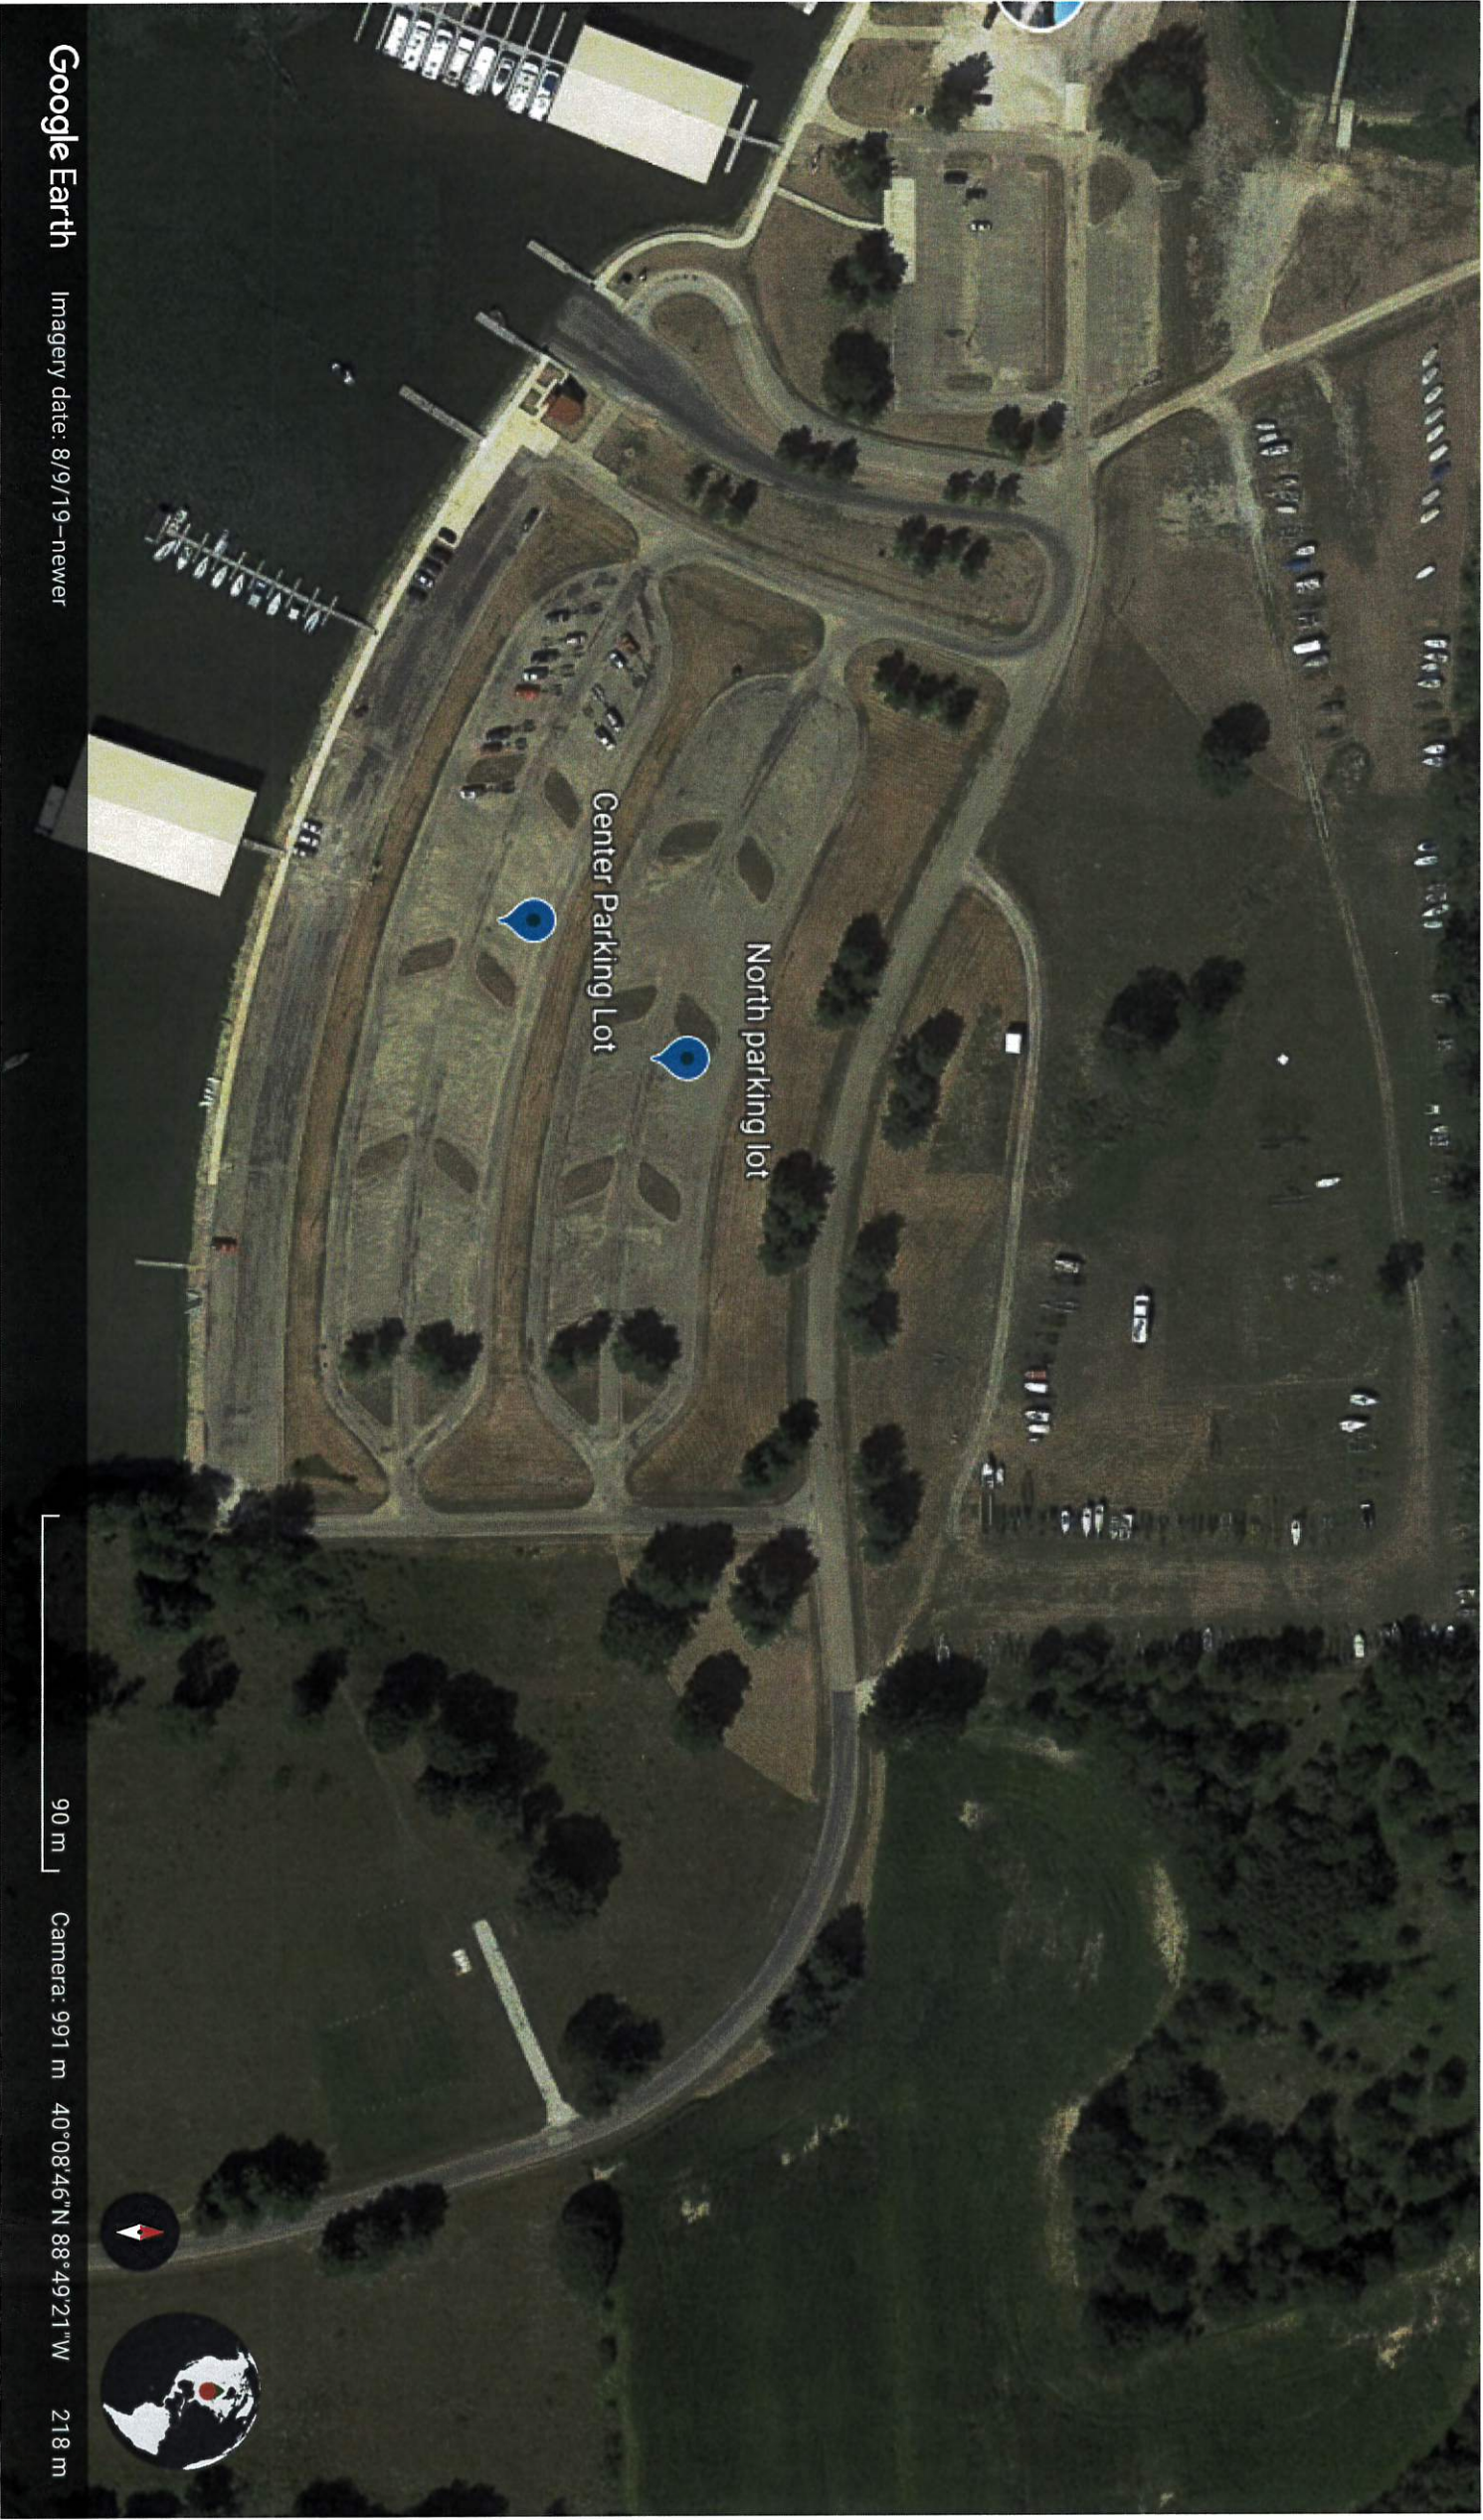

The twelve (12) islands are approximately 1350 sq.ft. each and are covered with sod and surrounded with a concrete curb. Each lot consists of six (6) islands.

The dirt and material shall be removed to a depth of six (6) inches below the grade of the parking lot. The material will be stockpiled at the overflow parking area north of the paved parking lots. The island areas shall be backfilled by placing a layer of three-inch rock as a base with remainder of compacted CA6 white rock.

Please bid each lot separately and as an alternative one bid for both lots.

Job to be completed 60 days after contract awarded.
